BENEFIT CHAIRS

Established in 1994 at Our Lady of Mercy Parish, Potomac Community Resources, Inc. today provides over 30 award-winning innovative therapeutic, recreational, educational and respite care programs and services to teens and adults with developmental differences at sites throughout Montgomery County.

PCR's good governance and stewardship have been recognized by the Catalogue of Philanthropy as "among the best smaller charities" in the Washington metropolitan area.

For more information about PCR and how you can support its work, please visit www.pcr-inc.org.

Serving teens & adults with developmental differences and their families
