PCR MEMBER & FAMILY SATISFACTION SURVEY

All PCR program participants will be receiving a satisfaction survey in the mail over the next few weeks. We ask that you or your parent/caregiver fill out the survey and send it back in the envelope provided. We value your feedback about our programs and will use your responses to make any necessary adjustments to our offerings. Please be as detailed as possible.

We will be mailing a separate survey for each program, so you may receive more than one. Please fill out a survey for each program so that the feedback we receive is program specific.

The survey is totally anonymous. However, if you wish to be contacted regarding your responses, please include your name and a contact number.

Any questions or concerns regarding this survey, or PCR programs in general, should be directed to Seth Duncan, PCR Program Director, at seth@pcr-inc.org or 301-365-0561.
