From the Executive Director

Dear PCR Community,

It's hard to believe, but I am writing to let you know that after 10.5 wonderful years I will be leaving PCR on June 30, 2008.

It has been a wonderful journey. I am proud of all the good programs and services that we worked together to develop for our community. I started as the only PCR employee with only a few programs. Today PCR has 40 full- and part-time staff and independent contractors, and over 2 dozen active programs at any given time. What we accomplished has enriched the lives of many individuals, families, and our community as a whole.

PCR will always be a cherished part of my life, and each and every one of our members, families, volunteers and staff will remain in my heart forever.

My very best wishes to you for a future filled with health, happiness, and personal fulfillment and growth.

Julia

Julia Mack, LCSW-C
