THE 2011 PCR BBQ

Thank you to the 350 PCR member, family, and friends who attended the 2011 PCR BBQ at Smokey Glen, and to those who made a donation so that everyone could participate.

Spotlight on a PCR Board Member

Tom Walsh is a native of the Washington area and a graduate of Landon School, Williams College and Georgetown University Law Center. After several years at the FCC and in private law practice, Tom spent 12 years as an executive at Project HOPE, a charity dedicated to helping countries develop their medical care systems. For the last eight years Tom has been a financial advisor and is a member of the Washington Group Special Care Planning Team – a group of

financial advisors focused on helping families that have family members with developmental differences. In addition to serving on the PCR Board, Tom serves on the board of Health Services for Children with Special Needs (HSCSN), an operating organization under the HSC Foundation umbrella which provides innovative care to the pediatric Supplemental Security Income (SSI) eligible population of Washington, DC through a management network that coordinates health, social, and education services. Tom also serves on the board of Community of Content Creators, a Los Angeles based organization harnessing the volunteer talent of the entertainment industry to produce and disseminate information about causes. Tom lives in North Bethesda with his wife, son, and daughter.

From Steve Riley, PCR Executive Director

As the Spring 2011 session comes to a close, I would like to take the opportunity to thank all of the PCR members who have participated in our programs, as well as the family and friends who have supported us over this past year. I would also like to thank the staff, contractors and volunteers who help make our programs what they are.

Over the summer we will be reviewing all the PCR Program Surveys that have been submitted. Your opinions and comments allow us at PCR to make sure that our programs are of the highest possible quality and that what we do meets your needs.

I look forward to seeing everyone back at PCR programs in September, as well as at the 16th Annual Patricia Sullivan Benefit on October 15th. Have a great summer.

Steve

A Special Thank You to the Students of St. Elizabeth's

At St. Elizabeth Catholic School in Rockville, Emily and Matt Weintraub headed the third annual collection by 5th and 8th grades to benefit PCR. The project raised \$500.68, which the students voted be used to support PCR's BBQ on July 9th.

Email Addresses Needed

PCR uses your email address to communicate with you directly about programs that you or your child are enrolled in, last minute program cancellations, as well as issues that affect you and PCR. Please make sure that we have your updated email. If you do not currently get emails from us, new email addresses should be sent to naomi@pcr-inc.org. Please make sure that you include your full name.

Montgomery County Road Runners Club

Are you ready to train for a Fall 5K in an engaging and supportive environment? If so, join one of Montgomery County Road Runners 5K (Walking or Running) programs.

All novice to experienced racers, paces, shapes, sizes and fitness levels welcomed! Access <http://mcrrc.org/> for club membership information, volunteer requirement, and specific program details.
