## Deciding What to Sign Up For

In order to facilitate participant enjoyment, safety, and personal growth, we are happy to provide information on staffing ratios, skills required, and interests essential for participation in our programs. Contact the PCR Program Director at [seth@pcr-inc.org](mailto:seth@pcr-inc.org) for more information about PCR programs.

*PCR reserves the right to determine any individual's program participation.*

## Suggestions, Concerns, and Complaints

PCR programs are designed and conducted in response to our members' expressed interests, needs, and preferences. We welcome your suggestions, concerns, or complaints about our programs. Please email the Program Director at [seth@pcr-inc.org](mailto:seth@pcr-inc.org). Any issues raised will be addressed within a week.

## PCR Program Cancellation Policy

If session is cancelled due to inclement weather or instructor/therapist illness, it is considered an "act of nature" and there will be no fee refunds.

## PCR Inclement Weather Policy for In-person Programs

If Montgomery County Public Schools are closed for the day or evening there will be no in-person PCR programs on that date. If it is a weekend program about which you need to inquire, please call the office at 301-365-0561.

## Supervision at In-person Programs

PCR provides supervision, according to the level appropriate to each program, ONLY during the published program times.

## Drop Off and Pick Up Policy at In-person Programs

Please accompany your member into the program site and make sure there is staff on site. Members may need to sign in and out at each program. Please be respectful and abide by published start and end times.

## PCR Late Pickup Fee at In-person Programs

PCR will charge a late pick-up fee of \$10.00 for every 15 minutes, or part thereof, that a PCR member is picked up after the published end of the program. The fee must be mailed to the office before the member can continue to participate in PCR programs. Drivers picking up multiple members are responsible for ALL fees for each member.

## Support for Online Programs

Members may need supervision and assistance from their caregiver to log in to online programs and participate successfully. Caregivers may need to be available throughout the program to provide assistance as needed.

## Program Security for Online Programs

Please do not share online meeting log-in, password, or meeting links with anyone. This is to ensure that all members have a safe space to participate in PCR programs. PCR will not record any program.

## Communications

All communications from PCR will be sent via email, unless other arrangements are requested.

## Photographs

I consent to PCR's use of my print or digital image for PCR publicity purposes. I understand my image will not be sold. Check here \_\_\_\_\_ if you DO NOT want your photograph used for PCR materials, including on our website.

## Changes in Contact Information

It is the responsibility of the members or their caregivers to promptly inform PCR of any changes in contact information. Information changes should be made by resubmitting a completed and updated registration form, or by emailing [seth@pcr-inc.org](mailto:seth@pcr-inc.org) with all your updated contact information.

**I am registering for the programs listed on the other side and I accept the terms of the PCR policies as stated above.**
